

# Dr Mariachiara Di Cesare

## TITOLI DI STUDIO

2016 (in corso) PG Certificate in Higher Education  
2003 Dottorato in Demografia, La Sapienza Università di Roma  
1999 Laurea in Scienze statistiche, demografiche e sociali (vecchio ordinamento), La Sapienza Università di Roma

## OCCUPAZIONE

Set 2015 - **Senior Lecturer in Public Health**, School of Science and Technology, Department of Natural Sciences, Middlesex University  
Set 2015 - **Honorary Research Fellow in Population Health**, School of Public Health, Imperial College London  
Giu 2015 - Ago 2015 **Research Fellow in Population Health**, School of Public Health, Imperial College London  
Lug 2011 - Mag 2015 **Research Associate in Population Health**, School of Public Health, Imperial College London  
Gen 2010 - Lug 2011 **Research Fellow**, Centre for International Education, University of Sussex  
Nov 2008 - Gen 2010 **Research Fellow**, Department of Social Policy, London School of Economics  
Ago 2007 - Mar 2010 **Profesor Asistente**, EULA, Universidad de Concepción  
Lug 2007 **Consulente**, Constella Future International, LLC, Washington. MEASURE evaluation/Honduras  
Ott 2006 - Giu 2007 **Consulente**, Economic Commission for Latin America and the Caribbean  
Giu 2003 - Ott 2006 **Assegno di Ricerca**, Department of Demography, La Sapienza Università di Roma

## PERIODI DI RICERCA ALL'ESTERO

2002 **Visiting scholar**, Centre for Demography and Ecology, Sociology Department, University of Wisconsin-Madison, USA  
2001 **Visiting researcher**, Laboratory of Contemporary European Fertility and Family Dynamics, Max Planck Institute for Demographic Research, Germany  
1998 **Visiting scholar**, Centre d'estudis demografics, Universitat Autònoma de Barcelona, Spain

## INSEGNAMENTO

2015-2016 Laurea Magistrale (Master): Applied Epidemiology, Challenges in Global Public Health (30 ore), Research Methods, Environmental and Public Health, Statistical modelling, Policy and Public Health Strategy. School of Science and Technology, Middlesex University  
2015-2016 Laurea primo livello: Epidemiology and Global Public Health, Health stressors and microbiology. School of Science and Technology, Middlesex University  
2014 Laurea primo livello/Laurea Magistrale (Master): Global maternal health policy, School of Public Health, Imperial College London  
2012-2014 Laurea primo livello/ Laurea Magistrale (Master): Chronic disease epidemiology and burden of disease. School of Public Health, Imperial College London  
2007-2008 Laurea Magistrale (Master): Big infrastructure works - identification, analysis and quantification on demography and quality of life, EULA, Universidad de Concepción  
2007-2008 Laurea primo livello: Demografia. EULA, Universidad de Concepción  
2004-2005 Laurea primo livello: Demographic transition in low income countries, The fertility transition: the case of India, The second demographic transition. Dipartimento di Demografia, La Sapienza Università di Roma

2003-2006 Laurea primo livello (Seminari): Demografia. Dipartimento di Demografia, La Sapienza Università di Roma

### Seminari invitati

Dicembre 2015 Global maternal health policy, School of Public Health, Imperial College London (laurea primo livello)

Novembre 2015 Population growth and family planning, School of Public Health, Imperial College London (Master)

Luglio 2015 Survey methods. Middlesex University (Master)

Giugno 2015 Population, environment and the social determinants of health. Middlesex University (Master)

June 2006 Demographic and fertility transition and ageing. SPES Development Studies Research Centre, La Sapienza Università di Roma (Master)

June 2006 Global AIDS epidemic. SPES Development Studies Research Centre, La Sapienza Università di Roma (Master)

September 2004 Population dynamics in low income countries. Universidad de Salamanca (Master)

September 2004 Fertility transition in low-middle income countries. Universidad de Salamanca (Master)

### Relatore tesi (Master)

**Hazel Hadian** - What is the relationship between maternal empowerment and child health? MSc in Public Health, Imperial College London (co-supervision)

**Adeola Adebisi** – Physical activity in relation to anxiety and its effect on student academic performance. MSc in Applied Public Health, Middlesex University

**Grena Sunimukar Christian** – Mental health of care staff in care homes with dementia patients. MSc in Applied Public Health, Middlesex University

**Chidinma Ajoke Ekpeh** – Healthy lifestyle in university students in Nigeria. MSc in Applied Public Health, Middlesex University

**Mohammad Yasooob Hassan** – Awareness and attitudes towards HIV/AIDs in MSM group in Rawalpindi/Islamabad, Pakistan. MSc in Applied Public Health, Middlesex University

**Aravind Velugupati Shankar** - Effects of antimicrobial prescription patterns on emergence of its resistance & the need for antimicrobial stewardship in India: Systematic review. MSc in Applied Public Health, Middlesex University

### GRUPPI DI RICERCA

2015-2016 IARC Handbook for Cancer Research 2016

2014 Knowledge for INtegration Governance – KING

2006-2007 Job Instability and changes in family and household trends. Employment, Social Affairs and Equal Opportunity DG of the European Commission (Agreement N.VS/2005/0691).

2003-2006 Family and health between gender system and institutions. COFIN

2001-2002 Gender and demography in developed countries, MIUR.

### CONFERENZE, SEMINARI, WORKSHOPS

- (Invitato) The weight of the world: an extensive study on BMI, Colloquium Series of the European Doctoral School of Demography, Università di Roma La Sapienza, Roma, Italia, 16 Maggio 2016
- (Invitato) NCD Risk Factor Collaboration. The where and when of the global epidemics, Istituto Superiore di Sanità, Roma, Italia, 21 Dicembre 2015
- (Invitato) NCD risk factors, CELADE/ECLAC United Nations, Santiago, Chile, 18 Luglio 2015
- Geographical and socioeconomic inequalities in women and children's nutritional status in Pakistan, BSPS 2013, Swansea, UK, 9-11 Settembre 2013
- Association between metabolic risk factors and cardiovascular disease mortality: population level analysis in high income countries, EAPS, Stoccolma, Svezia, 13-16 Giugno 2012
- Di Cesare, Sabates, The role of antenatal care for child growth and cognitive development: A comparative analysis in Ethiopia, Peru, Vietnam, and India, British Psychological Society Psychology of Education Section, Milton Keynes 12-14 Novembre 2010.

### **Sessioni/seminari organizzati**

- I sensi della ricerca: interdisciplinarietà e temi di frontiera negli studi di popolazione, Roma, Dicembre 2004
- Emerging health issues in low and middle-income countries. BSPS 2014, University of Winchester, UK, 8-10 Settembre 2014

### **BORSE DI STUDIO**

- Erasmus+ mobilità per il personale docente: Maggio 16/05/2016 – 20/05/2016
- Borsa di studio di dottorato (MIUR): 1999-2000, 200-2001, 2001-2002
- International Research School for Demography (Max Plank Institute): 17/10/2000 – 08/02/2001
- Max Plank Institute for Demographic Research: 1/09/2001 – 20/12/2001
- Borsa di studio ADISU (Azienda regionale per il Diritto allo Studio Universitario “La Sapienza”, Roma): 1994-1995, 1996-1997, 1997-1998 ADISU
- Borsa di studio Erasmus: Febbraio-Settembre 1998 (Barcelona, Spagna)

### **SOFTWARE**

R, Stata, SPSS, Winbugs

### **LINGUE**

Italiano: Lingua madre

Inglese: Avanzato C2 (Comprensione, scritto, orale)

Spagnolo: Avanzato C2 (Comprensione, scritto, orale)

Portoghese: Base A1 (Comprensione)

### **ATTIVITA' PROFESSIONALI**

- Editore associato: International Journal of Public Health, GENUS
- Membro del comitato editorial: Notas de Poblacion
- Referee per: Lancet Diabetes and Endocrinology, Plos One, American Journal of Clinical Nutrition, Maternal and Child Health Journal, International Journal of Public Health, Demography, BMJ open, Health Policy
- Membro di: Population Association of America, British Society for Population Studies, European Association of Population Studies
